

Dear Tom and members of The Heroe's

Wow! What an amazing wedding/party for Callie and George at the US Grant on October 12, 2013!

You and all of your band members were so talented and so great! We loved every minute of the whole evening! Starting with the saxophonist/flutist pre-wedding, he is so talented and diverse and him leading the guests downstairs was so cool! Everyone was talking about that! Then the guitarist at the ceremony, so touching and so perfect for the moment.

And last but not least, The Heroe's at the reception! So talented, so full of energy and the perfect match for our wedding and guests! Everyone had a blast!

Thank you, thank you! For your part in making our wedding so magical and memorable! You all were such a pleasure to work with.

Fondly,  
Ross and Patti Spitzer
